

Cicocleaner®

Wide Range Powerful Cleaner

DESCRIPTION

Cicocleaner® is a powerful wide range high quality acidic based to remove oil, grease, and wax from contaminated steel, wooden surfaces, equipment, mixers, storage tanks, and different formworks. It has an excellent tendency to penetrate deeply into contaminated areas and clean perfectly.

USES

- Cleaning and removal of grease, oil, and other contaminants from molds, formwork, tools, and instruments.

ADVANTAGES

- No special equipment is required.
- Easy to apply, one component.
- Economical.

PACKAGING

4 & 30 liters pails.

SHELF LIFE & STORAGE

12 months storage life if stored in its original unopened containers under a dry and shaded place in a temperature from 5°C to 45°C.

TECHNICAL PROPERTIES

Form	Pale Yellow Liquid
Specific gravity @ 25°C	1.14±0.02
Flammability	Non-Flammable
Coverage	Depends on the contamination degree

WARNING

Cicocleaner® is not advisable to be used in contact with reinforced concrete. It might be harmful to the steel reinforcement.

APPLICATION INSTRUCTIONS

For quick results, thick deposits of grease should be removed first with mechanical means, then Cicocleaner® should be used without dilution and should be applied and scrubbed well into affected areas. Cicocleaner® should not be left for a long time to allow the grime to emulsify as it is fast dissolving agent. The softened grime can then be washed away by hosing it with water and at the same time scrubbing it with a stiff brush or broom. For heavy deposits on large areas of concrete floors, the use of a steam generator and a heavy duty floor scrubber fitted with a wire brush will be a must.

PRECAUTIONS

Health And Safety

Cicocleaner® doesn't contain flammable solvents. Avoid inhalation of vapor. It should not be swallowed or allowed to come into contact with skin or eyes. Suitable protective goggles and gloves should be worn. In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice. When contact with the skin is made, wash off immediately with soap and water. If swallowed, seek medical attention immediately, do not induce vomiting. Wash off any spillages with water.

TECHNICAL SUPPORT

CIC provides on-site assistance, as well as consulting services on projects when requested. Technical data sheets on other CIC products and guidance on their use are available on request.

Warranty

CIC products are guaranteed against defective materials and manufacture and sold subject to CIC's standard terms and conditions of sale. Whilst CIC endeavors to ensure that any advice, information or recommendation given is correct, the company cannot accept any liability either directly or indirectly arising from the use of its products. User of the product must test the product's suitability for the intended application and purpose, since the company has no control over the application of its products. Information contained in this document is given on the best current knowledge. Our Products are in continuous development and CIC reserves the right to change the product without prior notice.
